

Monmouth County Rifle & Pistol Club

Black Powder Report

May 2, 2010

We had 7 shooters come out this month. We tried something a little different this time. We shot both conical and cartridge at the 50 yard targets, then we shot 4x4 inch squares of sheet rock at the 100 yard line (only the hits on the tile count 10 points). The winner was Steve Garrantano with a 146.

The pistol match was won by Tom Evans. Nice shooting Tom!

Our next shoot is on the first Sunday, June 6.

Sign in at 11:30 and we start shooting at 12 noon.

All shooters are welcome. This is a great tune-up for the Cowboy shooters.

Respectfully,
Jesse Thomas
