

Monmouth County Rifle & Pistol Club
Black Powder Report
October 3, 2010

We had five shooters this month. The wind was blowing pretty hard for offhand shooting but we had fun trying.

Two guys shot patch ball with Don Lordi winning with a 166x2.

Two guys shot muskets with Pete Barberi winning with a 175x1.

Two guys shot black powder era cartridge with Pete winning with a 169x2.

Four guys shot pistol with Harry Anagnostis winning with a 97x2.

Our next shoot on November 7 will be a fun shoot, no scores. We set up clay birds and 4 inch squares of sheetrock at 50 yards and see how many you can break with a set amount of shots. We also shoot at sheetrock squares at 100 yards. It's a lot of fun, come out and give it a try. We'll be getting started at 12 noon.

Respectfully,
Jesse Thomas
